RE: Letter of Recommendation.

Dear Tom

It gives me great pleasure to write this letter for you. Over the past 20+ years I have been doing business with Benchmark Construction, on a multitude of projects, amounting to millions of dollars. You and you staff have always given me value for our money and exceptional results. Furthermore when the occasion arises you and you staff have pointed out areas of concern and offered solutions that have improved, saved, corrected and addresses the issue, regardless of the needs of your firm. On many occasions you and your staff gone beyond the norm to assure that timelines be met to complete the project.

I would not consider doing any project without including Benchmark Construction in the process.

Sincerely

Brian W. Marsh, Owner
Marsh Industries, Inc.
